**The National Association of Nutrition and Aging Services Programs (NANASP)** is a professional membership organization whose membership is made up primarily of persons working in, or interested in the field of aging, community-based services, and nutrition and the elderly. For 30 years, NANASP has been recognized as a primary leadership organization in the field of aging in shaping national policy, training service providers, and advocating on behalf of seniors.

**NCOA's National Institute of Senior Centers (NISC)** supports a national network of over 3,000 senior center professionals dedicated to helping older adults remain active, engaged, and independent in their communities. NISC is setting the standard for the future of senior centers by promoting research, promising practices, professional development, and advocacy. NISC also offers the nation's only National Senior Center Accreditation Program. Learn more at [ncoa.org/NISC](http://ncoa.org/NISC).

## Who Will Be Attending?

**Nutrition services providers who represent THOUSANDS of seniors and their family members thru home delivered meal programs, congregate meal sites, and senior centers nationally. Senior Center professionals that lead their community based organizations in addressing issues related to aging as they offer opportunities to empower and promote positive aging.**

Agency directors, nutritionists and registered dietitians, case managers, program managers, event planners, lifelong learning instructors, art teachers, intergenerational programming facilitators, health promotion trainers, physical health coaches, development and volunteer directors from private, state and area agencies of all sizes including local providers, governmental groups and nonprofits from all over the country will be in attendance. These members are directly responsible for purchasing: packaging products; raw foods; catering services; travel packages, marketing services, senior health equipment, program packages, art supplies, personal emergency response systems; audio and A/V systems for events, personal emergency response systems; communication systems for volunteers and drivers; insurance; delivery vehicles; kitchen equipment; specialized food products; shelf stable meals; insulated bags; pre-portioned meals (frozen, ethnic, therapeutic); uniforms and clothing, meal transporters, computer software; nutritional supplements; paper products; cleaning products; consulting services; non-medical in-home care; home health services; care management; health information services; caregivers assistance; volunteer gifts; industry media; employment and training services and more.
